

January 18  
**2024**  
Education Series  
EY Center - 4899 Uplands Dr, Gloucester ON

Please join us for the 2024 Education Series presented in partnership with ACEC and the City of Ottawa. The Education Series is an excellent opportunity to be informed about industry matters and spend time with contractors, consultants and City of Ottawa staff in an informal setting.

There is no need for NCHCA or ACEC members to register for this event and no cost to attend.

City of Ottawa staff please register through the [Ozone Training and Development portal](#). VPN is required for registration

Attendance may satisfy PEAK requirements, please visit PEO's website for more information.
